Intro: [Gm] ~~You're not sick, you're~~ [C7] just in [F] love [C7]

[F] I hear singing and there's no-one there,
I smell blossoms and the [C7] trees are bare
[C7] All day long I seem to walk on air
I wonder why, I wonder [F] why.

[F] I keep tossing in my sleep at night,
And what's [F7] more I've lost my [Bb] appetite
Stars that [Gm] used to twinkle [F] in the skies,
Are twinkling [Gm] in my eyes, I wonder [F] why. [C7]

[F] You don't need analyzing, it is not so surprising,
That you feel very strange but [C7] nice
[C7] Your heart goes pitter-patter,
I know just what's the matter
Because I've been there once or [F] twice.

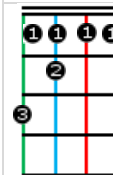

[F] Put your head on my shoulder, you need someone
who's older
A rub-down [F7] with a velvet [Bb] glove
There is nothing [Gm] you can take
[F] to relieve that pleasant ache
[Gm] You're not sick, you're [C7] just in [F] love [C7]

Repeat, Black and Blue simultaneously
